

BHARATHIYA VIKAS TRUST

Women Empowerment

“Dream about success and work for it”...

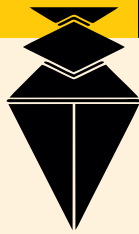

Empower women with education, social, economic opportunities and health care. Making women too powerful to make them capable of deciding for themselves and improve their decision making skills.

Various skill development workshops are being conducted for rural women to become self-sufficient. BVT is also conducting training to run the home industries

Vision

BVT aims to improve the economic status of women and their families through business skills and education.

Objectives

Develop Skills,
capacity
and awareness
